LB 232, 323

SENATOR KOCH: Well, Senator Reutzel, I'm asking for the bracket because I'm not prepared totally to take the bill before the body today.

SENATOR REUTZEL: Mr. President, I would withdraw my objection.

PRESIDENT: So ordered. LB 323.

CLERK: Mr. President, (Read title to bill). The bill was first read on January 20, 1977, and was referred to the Constitutional Revision and Recreation Committee. It was advanced to General File, Mr. President. There are pending Committee amendments.

PRESIDENT: Senator Jerry Koch.

SENATOR KOCH: Mr. President, I move for the adoption of the Committee amendments which clarifies and defines solar systems so that we can be accurate when we speak to the subject.

PRESIDENT: Senator Maresh.

SENATOR MARESH: Mr. President, I object to the Committee amendments. I think the purpose of the bill was to help the doctor short areas and I oppose the Committee amendments.

PRESIDENT: We have amendments to the Committee amendments, Senator Koch. Senator Mills.

SENATOR MILLS: Mr. President, which bill is it? 323 or what number.. You've got 323 on the board.

PRESIDENT: Yes.

SENATOR MILLS: Well, Senator Maresh, that is a bill that I introduced.

SENATOR MARESH: The clerk read the title to my bill. I wondered what is going on. I didn't know this took place.

PRESIDENT: 323.

SENATOR MILLS: Well, I would certainly let you have yours first. No problem.

PRESIDENT: We have a clerical problem here. We'll be with you in just a moment. Senator Chambers, could we move that news conference off the center aisle, please? That's all right. Senator Koch, there's some confusion about the records. We'll be...

SENATOR KOCH: Mr. President, there is a mistake there in terms of the bill that came with 323. It does relate to Senator Maresh's proposal and I ask that we lay over until I can get the proper bill before the Clerk. If we'd move on to another piece of legislation and then come back to it. Thank you.

PRESIDENT: All right. Senator Mills.

SENATOR MILLS: Mr. President, when will 323 come up then?
